Giaconda

THE BEECHWORTH BEAUTY

The 2009 vintage was a difficult one. A rather hot dry vintage has led Rick Kinzbrunner to decide to reclassify some of the wines. To our humble palate the McClay Rd Shiraz and Cabernet Sauvignon look every bit top Giaconda wines and the 'Nantua' is as good as ever. So here is your chance to buy very good quality at advantageous prices.

GIACONDA NANTUA LES DEUX CHARDONNAY 09

Single Bottle Price: \$50.00

Dozen Bottle Price: \$45.00

"The bouquet delivers a complete sensory equation of white peach, honeysuckle, hazelnut, oatmeal and traces of lime ginger. The palate displays a myriad of flavours with one fading into another. Rich and textured with delightful mineral acidity to close. Exciting, complex and irresistible." **FWC**

This is the only chardonnay released from the 2009 vintage, and includes the Estate Vineyard chardonnay.

Complex nose, more concentrated than usual due to the Estate chardonnay inclusion. Lovely creamy textured palate, rich and concentrated, long crisp finish with lemony acidity. Great drinking now and the potential to improve over the next 3-5 years. www.giaconda.com.au

GIACONDA AEOLIA ROUSANNE 09

Single Bottle Price: \$89.00

Dozen Bottle Price: \$79.00

"The only wine in 2009 to receive the Giaconda label, and it's a cracker. Golden buttered nuts, toast and vanilla, yet the palate is dry and savoury, very nutty - amazing length and complexity. Very Limited." **FWC**

Similar in quality to 2008, the 2009 now for the first time has a small percentage of marsanne included in the blend. 2009 Aeolia is approx 97% roussanne and 3% marsanne from the Warner vineyard and is totally barrel fermented with 10% new oak.

The nose is quite complex, spice, meal, fig, apricot and pear, with some oak. Concentrated flavours of hazel and almond nuts, rich, clean dry finish lingers in the mouth, mineral flavours and a balanced acidity. Perfect food wine, suited to Asian cuisine and seafood. Bottled with screwcap closures. www.giaconda.com.au

MCCLAY RD SHIRAZ 2009

Single Bottle Price: \$45.00

Dozen Bottle Price: \$40.00

"All the Giaconda Shiraz has gone into the one wine and it is brilliant. Deep purple colour. A riot of black and blue fruits with dark spices (clove, cardamon, pepper) dark bitter chocolate and ash notes. The palate is more of the same. It's bigger than Giaconda would like - from the drought - yet perfectly balanced and concentrated. It is very expansive on the back palate. Highly recommended." **FWC**

Spicy nose, rich and plummy with some character and dark chocolate. Complex flavours, medium to full bodied, rich and concentrated with mineral characters, tannin, making a long finish. This is a blend of Warner Vineyard, Estate Vineyard and Ergo Sum Shiraz and has cellaring potential. www.giaconda.com.au

MCCLAY RD CABERNET SAUVIGNON 2008

Single Bottle Price: \$45.00

Dozen Bottle Price: \$40.00

"Rick held onto this wine deciding whether to release it as Giaconda Cabernet - it went very close and here it is at half the price! Dark and brooding. Crushed violets, bluefruits and blackcurrant. Powerful structured palate loaded with black fruits, cedar and dark chocolate. Beautifully integrated tannins. **FWC**

Typical Cabernet nose and character, cassis, black fruits, intense and concentrated. This follows through to the palate, rich flavours, balanced acidity and a long finish with medium full tannins. This is 2008 Giaconda reclassified. www.giaconda.com.au

Josef Chromy 'Pepik' Pinot Noir 2009

Single Bottle Price: \$19.50
Dozen Bottle Price: \$17.50

Tasmania has been the big improver in Pinot Noir right across the park over the past few vintages & a big hit with us here at Five Way Cellars. The quality of wine at all levels is outstanding. Josef Chromy has been a player in the Tasmanian wine industry for many years, producing a number of high quality pinots. This his entry level pinot is a winner with its lightly spiced cherry, pine needle & fresh bright palate & juicy fruit sweet, sappy finish. It over delivers at its price, & is a great introduction to Tasmanian pinot noir. Highly recommended.

Moorilla Praxis Pinot Noir 2009

Single Bottle Price: \$30.00
Dozen Bottle Price: \$27.00

One of Tasmania's oldest producers Moorilla is going through an exciting period of change. Leading the way are wines like this. From Tamar Valley fruit its shows all the hallmarks of the region. Bright red florals & cherry perfumed nose, really fragrant & enticing. The palate is plump & plush, awash with red fruits & some savoury notes, there is just enough tannin at the finish to suggest medium term cellaring, will benefit, although it's absolutely delicious now. A striking art infused label rounds out the wine. Recommended - FWC

Over The Shoulder Pinot Noir 2009

Single Bottle Price: \$22.00
Dozen Bottle Price: \$20.00

"This is the entry line from Oakridge and talk about over delivering ! The Pinot is simple but lovable with red accented fruits, slightly confected, it's tailor made for up-front enjoyment. No prior knowledge required. The palate is as straightforward as the nose suggests, simple ripe fruits, a spray of oak and a musky finish". - Nick Stock

A delicious entry level Pinot from Oakridge in the Yarra Valley. Ripe, soft red fruits, laced with plum, cherry & spice make for a great drink now style of Pinot. The finish is soft, warm & easy. Great value from one of the Yarra Valley top producers. - FWC

Ten Minutes by Tractor 10X Pinot Noir 2008

Single Bottle Price: \$40.00
Dozen Bottle Price: \$36.00

"Watch this space: Ten Minutes By Tractor is a producer to look out for. Attractive dark cherry fruit presents ripe, pure and bright, the palate rolls smoothly through on fine-textured tannins holding plenty of rich cherry and plum flavour. Terrific value here, it outclasses many of the region's more expensive Pinots. 93 points." - Nick Stock, Wine100 August 2009

Savaterre Pinot Noir 2008

Single Bottle Price: \$77.00
Dozen Bottle Price: \$70.00

"What impresses me most about this release is the wine's fragrance. It leaps from the glass with a tremendous perfumed complexity. Far more perfumed than previous releases of Savaterre pinot noir...Grunt and perfume, with sexy cedary oak...Impressive...94 points" - Campbell Mattinson, The Wine Front : March 2010 (Screwcap release)

Bass Phillip Estate Pinot Noir 2008

Single Bottle Price: \$84.00
Dozen Bottle Price: \$74.00

"Little difference in the colour; the family plum and spice fruit core is here on the bouquet and entry to the palate, but it is at this stage that the surge and thrust to the finish puts it in a class above the Crown Prince. Drink now to 2023. 95 points." - James Halliday, *The Weekend Australian*, January 2010.
